WE SUPPORT BIKE LANES ON WEST LAKE SAMMAMISH PARKWAY - BELLEVUE

On April 11th the Bellevue City Council will decide on improvements to West Lake Sammamish Parkway.

Last year Redmond added BIKE LANES and pedestrian areas to their part of the Parkway. We support the SAME SAFETY IMPROVEMENTS in Bellevue.

The current staff proposal, which could cost $24M+, does not include BIKE LANES and will in fact lead to MORE CONFLICTS between users than the current VERY DANGEROUS situation.

PLEASE CONTACT THE BELLEVUE CITY COUNCIL AND TELL THEM TO PROVIDE SAFE BIKE LANES ON BOTH SIDES OF THE PARKWAY!
