

A Cascade Bicycle Club Education Foundation Event

SALMON IN THE CITY: The game!

What digs do Salmon prefer for chilling out? Which neighborhoods are cool among upstream-mobile salmon? And what's with that whole "spawn and die" thing? As you enjoy our fabulous urban ride, play this interactive game to learn more about Seattle's salmon.

Visit each of the stops below and you'll earn a metal water bottle and be eligible for other great prizes, including Ortlieb Panniers, Seattle Aquarium passes, Cascade Bicycle Club event tickets and more!

To get started, just pick up a game card at the Restore Our Waters booth at the start line or at one of the five official stops along the route.

MYRTLE EDWARDS PARK
8 a.m. - 2:30 p.m.
